If forms and payment are postmarked by or on the deadline date, they will have met the deadline.

How do I know what activities to sign the boys up for?

First Year Webelos will be given the opportunity during their program time, to work on up to 4 activity badges, as well as enjoy all of the usual fun of swimming, archery, and BB's. Scouts may sign up for class onsite after arriving at camp.

Second Year Webelos can also participate in the Boy Scout Skills Round Robin Program. Their session will be thematically arranged so that on each day of programming they will sample sets of Scout Skills in a “show and do” format. Second Year Webelos may also choose to do individual activity badges instead of the Boy Scout Skills Round Robin Program. **Note that when they choose the Boy Scout Skills Round Robin Program they CANNOT also do the first year activity badges. Scout Skills must be pre-registered at the time the Scout is registered for camp.**
