Dear Cub/Webelos Leaders,

Gaylord Cubworld is once again ready for the arrival of Cub Scouts from Tiger Cubs to Webelos Scouts! Our theme this year will be “Shipwrecked Tropical Adventure”. We will have many great activities, games, and skits related to this theme. Cubworld also has attractions such as Pirates Cove, Medieval Castle, Western Fort, and Native American Village.

Here is a list of some of most popular and exciting programs:

- Campfire program
- Campwide evening activity (Examples: movie night, ice cream social, game night)
- Fishing (bring your own tackle)
- Physical Challenge/Obstacle Course
- (Timed event with First, Second & Third place awards each session of camp)
- Try to escape the island in our canoeing program
- Play volleyball with Wilson
- Test your skills in the survival course; try your hand at hunting with a spear
- Pirates Cove Games
- Get stranded with our Castaway Class
- Learn raft building skills and how to build a fire in the Scout Skills Program
- Create a cheer to earn our Spirit Totem
- Collect resources to prove your survival skills and be recognized as a Survival Master
- Archery; shooting sports
- Tug of War
- Programs – Dodge Ball, Sling Shot, rappelling, and much more

One of the things you will encounter during your stay at Boxwell Reservation is our warm and friendly staff. Yes, those lovable staff members: Matt, Samuel, Larry, Mike, Linda, Amelia, and Kevin will be back! Our Staff members want you to have the best experience possible; they begin in the winter preparing for your arrival in the summer.

Please be aware that each session of Cubworld is open to the first 285 participants (Youth, Adults, and Siblings) so, make your plans and mark your calendars for early 2017 as the opening of online registration. We hope this will give you a better understanding of what our reservation has to offer. Please contact us if you have any questions 615-463-6304 or slovett@mtcbsa.org.

Yours in Camping,

Amelia Berle

Boxwell Scout Reservation

Boxwell Reservation is located on Old Hickory Lake in Wilson County on State Highway 109, five miles south of Gallatin near LaGuardo, Tennessee. Its beautiful location features rolling hills with lots of great campsites and hiking trails. The surrounding waters are excellent for swimming, canoeing, fishing and other aquatic activities. For these reasons, and because of its central location, it was well chosen to meet the needs of Scout units in the Middle Tennessee Council. In 1952, the original site was located on what would become Old Hickory Lake. In 1957, the Middle Tennessee Council—through a special act of congress—acquired the title for 528 acres of land from the U.S. Army Corps of Engineers for a small fee of \$1.00. Subsequent purchases brought its size up to 1,273 acres.

There have been four “Boxwells”: Linden, Tennessee (1921-29), Narrows of the Harpeth (1930-48), Rock Island (Charles E. Parish Wilderness Preserve near McMinnville) (1949-59), and the present one. In 1938, the Order of the Arrow’s Wa-Hi-Nasa Lodge #111 was founded at the Narrows of the Harpeth. In 1951, the South’s first Wood Badge course was offered at the Rock Island camp. Each “Boxwell” provided great outdoor experiences for boys and their adult leaders, and made its own contribution to the camping traditions of the Middle Tennessee Council. Today’s Boxwell Reservation on Old Hickory Lake reflected and accelerated the rapid growth of Scouting in Middle Tennessee. Many people worked hard to raise the funds and make the arrangements necessary to acquire and develop these camps. Boxwell Reservation is named for the late Mr. Leslie G. Boxwell, a distinguished Tennessean and Scouter.

In 1960, the first summer camp season at the present camp was held for hundreds of eagerly waiting Scouts. Nearly every kind of tree native to Tennessee can be found somewhere on the reservation, and animal life is plentiful. Some evidence exists to suggest that the ground beneath is honeycombed with caves, and it is believed that Indian and pioneer trails crossed it.

The camps within the reservation are named for other outstanding citizens and Scouters. The developed camps include Camp Stahlman, Camp Parnell, Camp Craig, Gaylord Cubworld and the Percy Dempsey Camporee Site. Camp Light, Explorer Island, and Camp Beany Elam have been kept as wilderness sites. Boxwell Reservation is rich in tradition and widely considered one of the very best summer camp facilities in the United States.

Gaylord Cubworld was inaugurated on May 17, 1996. Cubworld is an awesome place where a boy’s imagination will soar. Cub Scouts, Webelos, parents, and leaders can enjoy a weekend stay or just a day at Gaylord Cubworld. Participants can experience any one or all of the theme areas: Cub Fort, Native American Village, Cub-A-Lot Castle, Pirate Ships and the Olympic Village.

Guest (Adult or Sibling)	\$40 per person	

Camperships for Resident Camp

The Middle Tennessee Council offers Cub/Webelos Resident Camp Camperships for Scouts who would not be able to attend camp due to financial difficulties. Campership amounts will be granted based on the financial need of each applicant. Camperships are not transferable if the Scout cannot attend Resident Camp.

*Note: A Cub/Webelos Resident Camp Registration must be completed in addition to the Campership form in order to reserve the Scout's space in the desired session of camp. Turning in a Campership Application without also registering the Scout will not guarantee the Scout a space at camp. All Scouts who submit a Resident Camp Campership Application should be prepared to pay the \$30 deposit. Scouting teaches a Scout to be thrifty. Full Campership is rarely given and only in extreme cases; Partial scholarships enable more boys the opportunity to attend Resident Camp.

Applications for these Camperships are available at the Middle Tennessee Council Scout Service Center, in the back of this guide and at www.mtcbsa.org. **These forms are due no later than April 7, 2017.** Leaders and parents will be notified by mail of Campership approvals in May 2017.

Deposits

A \$30.00 Early Registration Deposit per Scout is due by **April 13, 2017** to reserve a participation slot. Each camp session will hold **285 registrants (youth and adult.)** Each Scout will receive a participation patch as part of their fee.

If a deposit has been paid, the remaining balance per Scout **must** be paid on or before the following dates:

Cub Scout Resident Camp:

Camp Session	Camp Dates	Final payment due to Council
1	June 16-18	June 13, 2017
2	June 23-25	June 20, 2017
3	June 30-July 2	June 27, 2017
4	July 7-9	July 5, 2017

Webelos Scout Resident Camp:

Camp Session	Camp Dates	Final payment due to Council
1	June 12-15	June 7, 2017
2	June 19-22	June 14, 2017
3	June 26-29	June 21, 2017
4	July 10-13	July 5, 2017

Timely payment of registration fees will insure a quick check-in process upon arriving at camp.

Refund Policy

All refund requests **MUST** be submitted in writing to the Council Service Center no later than 10 days **BEFORE** your scheduled arrival at Camp. **NO** refunds will be considered after the 10 day mark! Any refund given will be less a \$30.00 per person cancellation fee. No refund checks will be processed until August 2017. Exceptions will only be considered for medical reasons with a signed doctor's note.

Fees are transferable to other Scouts, but it is up to the individual canceling to arrange for payment reimbursement from the replacement Scout. **The Staff at Middle Tennessee Council must be informed of any fees that are transferred at least 10 days prior to arrival at Resident Camp. Fees **CANNOT** be transferred at check-in. To receive a refund you must use the Council refund request form that is located in the Forms section of the Council website.**

Special Notes and General Information

Camp Leadership

National Scouting policy requires two-deep leadership: Two registered adult leaders or one registered adult and a parent of a participating Scout, one of whom must be at least 21 years of age or older, are required for all trips and outings including resident camp. It is *not* required that each Scout have a parent/guardian attend for the Scout to attend. Cub and Webelos Resident Camp allows the following ratios of leadership to Scouts:

# of Scouts	# of Leaders Required
1-8	2
9-12	3
13-16	4
17 – 20	5

Each Pack/Den should provide the required adult leaders for the number of Cub Scouts attending camp. All adult leaders are responsible for the discipline and behavior of their Cub Scouts while at camp.

Letter to Employer

If you like, the Middle Tennessee Council stands ready to send a letter to your employer or company telling them about your leadership at Resident Camp and the important role you have in the lives of the boys. You may request this letter by emailing slovett@mtcbsa.org. Please be sure to include the name and address of your employer along with a contact person.

Leaders' Meetings

The Leaders' Orientation Meeting will be held at 4:00 p.m. on the day of your arrival to review the schedule and plans while your group is at camp. There may also be other leaders' meetings held at times to be announced at camp. Do not leave your Pack or Den unless you are sure that there is proper supervision. If you cannot make the meeting, send a representative. These meetings are to review any announcements and/or possible changes.

Trading Post

The Cubworld Trading Post will be open during key hours of the day, which will be posted outside the Trading Post. It is well stocked with Scout supplies, soft drinks, cold water, ice cream, snacks, and fun items for the boys.

Most boys will find their way to the Trading Post several times during their stay at camp. We hope that our Trading Post will enhance your stay and make for a very enjoyable camp experience. We recommend that each Pack establish a banking system with an adult banker to help safeguard the money that the boys bring to camp. We also accept Visa, MasterCard, American Express, and Discover.

Lost and Found

Lost and found is located in the Cubworld Dining Hall. Please ask the Program Director for assistance in the event of a lost item. The Middle Tennessee Council is not responsible, for items lost or stolen while at camp.

Visitors

The closing campfire for each session is a great family event! We encourage all family members to visit Boxwell Scout Reservation at this time to spend the evening with their Scout(s). Dinner will be served for all registered campers. Any family member that desires to have dinner with a Scout needs to simply stop at the camp office – The Cripple Crab – sign in and pay for the meal. The cost for visitor's meals is \$5.00 for breakfast, \$6.00 for lunch and \$7.00 for supper, per person, per meal.

CUB Resident Camp: Visitors need to arrive between 5:30-5:45 pm to have dinner with their Scout(s). Please check with your group's leader for actual meal time.

WEBELOS Resident Camp: Visitors need to arrive between 5:00-5:15 pm to have dinner with their Scout(s) assigned to Meal A, or between 6:00 – 6:15 pm if their Scout(s) are assigned to Meal B. Please check with your Scout's group leader for actual meal time.

Meal Time

Prior to each meal, campers assemble at the dining hall with seating arranged by campsite. A rest period follows lunch. Field Dress (Class A) Uniforms should be worn for all evening meals.

Leaving Camp

NO ONE may leave camp property without first signing out. Please check with one of the Camp Directors or the Camp Commissioner for more details. A sign out/in sheet will be provided in the Cubworld Dining Hall.

Insurance

Each Pack in the Middle Tennessee Council is covered by supplemental accident and sickness insurance. This will cover members while at camp, as well as at other Scouting activities. Benefits are to cover deductibles or co-pays. Please submit a copy of your primary insurance card with a medical form for **each person** (Scout, adult and sibling) attending camp. If a boy is not covered under other insurance, please submit a signed statement from the parent stating this.

*Note: The Middle Tennessee Council does NOT insure packs visiting from outside the Council. These packs must have insurance either through their Pack or through their home council. Please send proof of insurance along with your initial Resident Camp registration.

General Cleanliness

Let's be clean in everything we do. Hot showers are available for Scouts and Leaders. Help us keep camp, latrines, and shower houses clean. Trash barrels are in each campsite and throughout camp. Please remember to leave camp cleaner than you found it.

Siblings

A fee of \$40.00 is charged per Guest (Adults and Siblings.) Everyone attending **must** have a Parts A and B of the BSA medical form. A copy can be found at the Council website.

Camp Planning Meeting – WEBELOS RESIDENT CAMP ONLY

A Pre-Camp Leaders' Meeting will be held on May 31, 2017 for adult leaders attending sessions 1-4 of **Webelos Resident Camp**. The meeting will start at 7:00 p.m. in the Jett Potter Service Center (Council Offices) in Nashville. It is important that a representative from each Pack attending camp come to this meeting; any changes/updates will be announced in this meeting.

Pet Policy

NO PETS ALLOWED IN CAMP, NO EXCEPTIONS!!!

Resident Camp Staff Opportunities

Positions are available on Boxwell Reservation's Resident Camp Staff for motivated Scouts and Scouters. Interested parties may pick up an application from the Support Services Division at the Jet Potter Service Center or on the Council website www.mtcbsa.org under the section Camp Forms.

Dining Hall

Meals are served in our indoor, air-conditioned facilities. The dining hall is set up to serve the number needed for each meal period. The maximum number allowed by the Fire Code will determine the number of tables and chairs allowed for each meal period.

Procedure:

- Each table will appoint 1 clean-up monitor team per meal (1 Scout & 1 Adult.)
- The table you sit at during your first meal will remain your table throughout camp.
- At serving time, Scouts will enter Dining Hall and take a seat at their assigned tables.
- After everyone has been seated, announcements will be made and grace will be said.
- After grace, the Dining Hall will be dismissed to line up for serving.
- Scouts will be allowed to refuse items and adults will be able to request additional portions as they walk through the line.
- Scout leaders will be asked to serve as monitors of the serving line. This monitor (Scout leader) will ensure that the Scouts are being served properly by the staff. Approximately 15 minutes prior to the end of the meal period, everyone will be encouraged to participate in a program (song or skit).
- Following the program, everyone will be dismissed except the table monitors.
- At this time the clean-up window will open and monitors may return trays and clean tables.
- Please do not take any items to the clean-up window until the window has been opened after the program.
- **Please DO NOT wear hats in the Dining Hall.**

Camp Security

An important aspect of youth protection at camp is controlling visitors in the camp. Scout uniforms are powerful validation symbols making anyone wearing one seem to be in the right place at a Scout camp. Unfortunately, almost anyone can obtain a uniform, whether or not they are registered members of BSA.

Everyone in attendance at the camp must wear identification that signifies legitimate participation in the camping program. Wristbands, such as those used in hospitals, will be Boxwell's method. The importance of wearing this identification will be stressed when the unit checks in. It is not necessary to

explain the youth protection aspect of this identification beyond its signifying a properly registered participant in the camp program.

All visitors to the camp must stop at the camp office and sign in. A guest book for this purpose will be maintained and positive identification required. A special visitor name tag will be given that will easily identify the person as a legitimate visitor. Upon conclusion of their visit, guests will sign out so that camp administrators will know who is on camp property at all times. Any time a person is spotted in camp without either a visitor's nametag, or camp participant wristband, that person should be escorted to the office to sign in (and so staff personnel may determine why that person is on camp property).

Health and Safety

Boxwell Scout Reservation takes the safety of each camper very seriously and pledges to see that they have a safe and enjoyable environment to pursue the great ideals of Scouting.

NO bicycles, scooters, skates, or skateboards are allowed in camp. **CLOSED-TOED SHOES (NO CROCS)** must be worn at all times especially when attending the BB and Archery Range.

The campsites are *not* equipped with electricity. Should you require a medical device which depends on a power source, you should plan to bring a battery pack or a small quiet generator.

A safe and enjoyable experience has always been the focus of the Boy Scouts. The camping experience at Boxwell Scout Reservation is no exception. In the event of an emergency, Boxwell has immediate response capability with a Wilson County Emergency Management team located only three (3) miles away. We also have Emergency Medical Technicians on the site at all times working out of the Health Lodge. They can be contacted by radio 24 hours a day. If needed, a medical doctor is on call 24 hours a day, and makes weekly visits to camp. He is supported by the Sumner Regional Medical Center located only five (5) miles from Boxwell. This facility offers a full array of state of the art medical services. Emergency transportation by ambulance is only a radio call away and we have the facilities to land an emergency helicopter if necessary. The Wilson County Sheriff's Department makes random checks of our facility and stands ready to assist in the event of an emergency.

The Health & Safety Committee along with the Camping Committee desires to make our campers more aware of the concerns created by insects at Boxwell.

Smoking & other tobacco usage

Scouts are not allowed to smoke or use tobacco at camp. Adults may, but are asked to move out of sight and downwind of scouts. **Absolutely NO smoking is allowed in building or tents.** These regulations apply to all forms of smoking, including E-cigs and vaporizers. While tobacco free equivalents may not be as harmful, they are still bad examples to set for the scouts. To that end, we ask that you treat those as you would cigarettes.

Ticks

All participants on day of arrival will be cautioned and directed as to the risk of tick borne disease, and the precautions and procedures to be followed. All exposed persons will receive written information pertaining to the exposure and appropriate follow-up care. (For youth, the information will be provided to the responsible adult).

Mosquitoes

Mosquito bites can cause severe skin irritation through an allergic reaction to the mosquitoes' saliva – this is what causes the red bump and itching. But a more serious consequence of some mosquito bites may be transmission of certain diseases, such as the West Nile Virus.

What can I do to reduce my risk of being bitten?

Each week before the start of camp, campsites are sprayed to reduce the number of mosquitoes and ticks present. Though mosquitoes are most active at dusk and dawn, it is advisable to use bug repellent at all times.

Brown Recluse Spiders

The Brown Recluse Spider is one of six poisonous kinds of spiders in the United States and are usually found in dark places. When outside, they can be found in piles of rocks, wood, or leaves.

Brown Recluse Spiders are soft-bodied, yellowish-tan to dark brown, about ¼ to ½ inch long and have long, delicate grayish to dark brown legs covered with short, dark hairs. The leg span is about the size of a half dollar. Distinguishing characteristics are the presence of three pairs of eyes arranged in a semicircle on the forepart of the head and a violin-shaped, dark marking immediately behind the semicircle of eyes.

How to avoid getting bitten?

Be careful in areas where they like to spend time like rock and wood piles. Shake out clothing and shoes before dressing, and inspect bedding and towels before using.

Bite Symptoms

The severity of a person's reaction to the bite depends on the amount of venom injected and individual sensitivity to it. Bite effects may be nothing at all, immediate or delayed. Some may not be aware of the bite for 2 to 8 hours, while others may feel a stinging sensation usually followed by intense pain if there is a severe reaction.

A small white blister usually rises at the bite site surrounded by a large congested and swollen area. The affected area enlarges, becomes inflamed and the tissue is hard to the touch. Wash the bite well with soap and water. Apply ice to the area, elevate it and keep it still.

Follow the Rules of the Road

Seek Immediate Medical Attention for Spider Bites and Bee/Wasp Stings! Avoid Accidents with insects and spiders:

BEFORE REACHING INTO CONCEALED AREAS

Be alert for spiders under logs, stones, benches, and tables. Inspect clothing, shoes, bedding, and latrines before use.

YIELD TO BEES and Wasps

Know that most beverages and foods attract bees/wasps. Always keep trash cans tightly covered.

SPIDERS, WASPS AND BEES

Avoid painful bites and stings; always give spiders, wasps, and bees the right-of-way. Report any spider, bee, or wasp nests to adult leaders.

Vehicles in Camp

NO RVs or Pop-up camp trailers allowed on the Reservation, no exceptions.

All parking must be confined to designated parking lots. No trailers will be allowed in campsites. Your camping equipment will be taken from the parking area to your campsite by our Cubworld Staff. Only camp vehicles and delivery trucks will be permitted beyond the parking areas. The speed limit is 24 miles per hour. No one under 18 will be allowed to drive on the reservation. Boxwell Scout Reservation takes the safety of each camper seriously and pledges to do the utmost to see that they have a safe and enjoyable environment to pursue the great ideals of Scouting. **It is PROHIBITED to drive a truck or trailer on camp property with youths or adults unrestrained in the back or on the sides. This means NO RIDING IN TRUCK BEDS!**

Volunteer for Adult Camp Staff at Cubworld this summer

Does your Pack have some extra adults who need something special to do at camp? Maybe you can provide some Volunteer Adult Camp Staff Members this summer. Talk to the adults who work with your Unit. See if anyone wants to teach their favorite skill at camp to boys from your Den/Pack and other Dens/Packs.

Please send an email to slovett@mtcbsa.org with the following information: Name, Pack Number, Session attending, contact phone, email address, and area they would like to teach/assist and we will inform the Program Director.

Adults from your group may also want to help out at camp in other ways. We always need help with plumbing and electrical work, carpentry, and other camp maintenance which you may also contact us via email for these areas. If there are questions, we will get back in touch with you.

Remember that your Den/Pack needs at least one adult with your Scouts at all times. If someone from your Den/Pack volunteers to teach classes or do other work away from your campsite, you may need extra adults to make sure you have sufficient leaders at all times for your Den/Pack.

Flag Lowering

Each evening the entire camp will assemble for flag lowering at the Dining Hall. Class A uniforms should be worn at flag lowering program. Only campers with complete Class A attire may participate in the color guard for flag raising and lowering.

Resident Camp Check-In Procedure

CUBS: Arrival on FRIDAY of Each Session

WEBELOS: Arrival on MONDAY of Each Session

Check-In: Check in time is between 11:00 am and 1:00 pm on your arrival day. **DO NOT** arrive prior to 11:00 am. Lunch will ***not*** be provided; the first meal is the evening meal. If you arrive after 1:00 pm you will ***not*** be able to visit the pool for swim checks until after the evening meal at 6:15 pm. This is due

to the fact that the pool staff has Boy Scout Merit Badge Classes each afternoon. **Parking is located in Stahlman activity field.** Staff members will direct you in the appropriate direction.

Packs are assigned campsites and activity groups at check-in. If part of a Pack arrives later the same day or the following day they may be assigned to different campsites and different activities.

Report to Camp Check-In Table

WITH A COMPLETED MEDICAL FORM(S) AND COPIES OF INSURANCE CARDS FOR EVERYONE STAYING ON BOXWELL RESVERATION (This includes all Scouts, Leaders, Siblings and Adults). Medical forms will be returned at the close of camp upon Check-Out.

Advancements and Activities for Webelos Resident Camp

Webelos

First year Webelos will be given the opportunity to work on up to four (4) adventure pins as well as enjoy all of the usual fun of camp. Adventure Pin classes will be chosen onsite the first day of camp. These include: Aquanaut, Into the Woods, Into the Wild, Camper, Engineer, First Responder, and Castaway. Additionally, BB, Archery, and canoeing skill classes are offered. If your Scout(s) have already earned the activity awards being offered, or just feel like doing something different, they can sign up to do the Boy Scout Skills Sessions. Boys must choose to do either the activity badges or Boy Scout Skills; **they will not be able to do both and will not be able to switch back and forth.**

Arrow of Light

Second year Webelos have the option to participate in the Boy Scout Skills Sessions. There are four 2-hour sessions offered. The four session will cover Fire Safety, First Aid, Knots and Lashings, Map & Compass. These sessions will be signed up for as a block. **Please note, when you sign up for camp you will be asked to pre-register for the Scout Skills program.** On Thursday morning a tour of the Boy Scout Camp at Camp Stahlman will be conducted.

Cub Scout & Webelos Resident Camp

Online registration available at www.mtcbsa.org

Swim Classification Procedures

The swim classification of individuals participating in a Boy Scouts of America activity is a key element in our Safe Swim Defense and Safety Afloat. The swim classification tests should be renewed annually, preferably at the beginning of each outdoor season. Traditionally, the swim classification test has only been conducted at a long-term summer camp. However, there is no restriction that this has to be the only place the test is conducted. It may be more useful to conduct the swim classification prior to a unit going to summer camp.

If your Pack/Den does a swim check prior to arrival at camp, you still need to report to the pool upon arrival in order to have your paperwork checked by a Boxwell Lifeguard and to receive your armbands & buddy tags.

All persons participating in BSA aquatics are classified according to swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water. The Swimmer's Test demonstrates the minimum level of swimming ability for recreational and instructional activity in a confined body of water with a maximum 12-foot depth and with shallow water footing or a pool or pier edge always within 25 feet of the swimmer. The various components of each test evaluate the several skills essential to the minimum level of swimming ability. Each step of the test is important and should be followed as listed below:

Swimmer's Test: Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breast stroke, Trudgen or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

Beginner's Test: Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

Once the swim classification has been conducted, complete the Unit Swim Classification Record (located in the Forms Section of this guide) and bring to camp. If you are unable to conduct a pre-camp swim classification, don't hesitate coming to camp. We will conduct swim classification at camp and all Webelos will have the opportunity to take Aquanaut or participate in free swim. **Swim checks can be conducted by Aquatics Instructor Boy Scouts of America, Aquatics Supervisor, Boy Scouts of America Lifeguard, or American Red Cross Water Safety Instructor.**

Canoeing

We are excited to offer a canoeing class for our Webelos! In order to participate, your scout **MUST** be at least a beginner and be accompanied by an adult swimmer. If two scouts wish to canoe together, they must both have passed their swimmer test.

Camp Mailing Instructions:

The only way to guarantee that your scout receives his mail while at camp is to send it with one of the adults attending with him. This adult can then give the mail to the camp staff who will deliver it every flag ceremony (raising & lowering). If you would like mail delivered in a specific order, please note the date of delivery somewhere on the envelope. Please avoid mailing your letters to the camp as the letters often arrive after the scouts have left.

How do we register?

Each Cub Scout / Webelos Scout registers individually online for Cub Scout or Webelos Resident Camp. This can be found on-line at www.mtcbsa.org. **Please remember that a registration should only be completed for a Cub Scout / Webelos Scout and not for an adult or sibling.** There is a section within the registration to note the names and number of the Guest(s) attending with your Cub Scout / Webelos Scout.

Do we register as a Pack/Den?

NO each Cub Scout or Webelos Scout needs to register using the 2016 Cubworld Resident Camp registration system located on the Council website.

Can my Cub Scout attend Webelos Resident Camp?

A Cub Scout may attend as a sibling (\$40 fee will apply) however there will be no program activities offered for Cub Scouts at Webelos Resident Camp. Cub Scouts should consider attending Cub Resident Camp.

Can my Webelos Scout attend Cub Scout Resident Camp?

A Webelos Scout may attend as a sibling (\$40 fee will apply) however there will be no program activities offered for Webelos Scouts at Cub Scout Resident Camp. Webelos Scouts should consider attending Webelos Resident Camp.

Does an adult have to attend with my Scout?

YES. The preferred leadership ratio is 1 to 1. Since this cannot always be the case, two-deep leadership is required. Cub Scout Resident / Webelos Resident Camp allows the following ratio of leadership to scouts: 1-8 Scouts require 2 Leaders; Adult leadership is required.

Do leaders and adults go free?

No. Each person who is not attending as a Scout pays \$40.00. This is to cover the cost of meals during your stay at camp

How do I know when the rest of my Scout Pack is going?

Contact your Den Leader, Cubmaster, and/or your Pack's camping coordinator.

I missed the deadline; can I fax my paperwork and mail my check?

No. All Scouts should use the online registration system. **Faxing forms will not be considered as meeting a deadline.** Forms and payment must arrive together at the Council Office no later than the deadline date. If forms and payment are postmarked by or on the deadline date, they will have met the deadline.

How do I know what Adventure Loops or Adventure Pins to sign the boys up for?

Webelos Scouts will sign up for activities onsite after arriving at camp.

Second Year Webelos can also participate in the Boy Scout Skills Round Robin Program. Their session will be thematically arranged so that on each day of programming they will sample sets of Scout Skills in a "show and do" format. Second Year Webelos may also choose to do individual activity badges instead of the Boy Scout Skills Round Robin Program. **Note that when they choose the Boy Scout Skills Round Robin Program they CANNOT also do the first year adventure badges. Scout Skills must be pre-registered at the time the Scout is registered for camp.**

Cub Scouts will sign up for activities after arriving at camp.

Does my entire Pack/Den need to arrive at the same time?

Packs are assigned to camp sites and activity groups by who is present at check-in. **If you want to camp together, you should check-in together.** This will help keep activity size consistent. If part of the Pack/Den arrives the next day, they may be assigned to different campsites and different activity groups.

What do I do with the medical form?

Hang on to it and make copies. You will need to present a completed medical form for each Scout, and Guest (Adults and Siblings) when you check in at camp. You cannot stay on Boxwell Reservation without a current and complete medical form. Any medical forms mailed to the Council Service Center will be returned to you.

My child has a special diet. What should I do?

The camp staff will work with anyone who requires assistance in this area due to medical necessity. The kitchen facilities at Cubworld are limited to refrigerator and microwave.

Do we bring tents? Is bedding provided?

Wall tents on wooden platforms are provided and each tent contains 2 cots with mattresses. You will need to provide sheets, sleeping bags and pillows. You may bring your own tent if you prefer.

Do the campsites have electricity?

No. Should you require items such as medical equipment which necessitate power, you should plan to bring a battery pack or small quiet generator.

Can we cook in our campsites?

No. All meals are served in a staffed Dining Hall setting.

Can we have a campfire in our campsites?

Only with advanced approval from one of the Camp Directors and only in designated areas. These arrangements should be made when you arrive at camp.

My Scout has just gone to Day Camp. What will my Scout experience at Resident Camp that will make it different from Day Camp?

An overnight camping experience on a 1,200 acre reservation full of nature and wildlife with a whole new set of crafts, games and activities.

A Cubworld setting full of exciting stations and activities such as a fort, castle, and pirate ships.

Are E-Cigs and vaporizers allowed?

Please follow the normal smoking regulations for these items.
