Dear Scoutmasters,

We appreciate your willingness to join us on this grand adventure known as Winter Camp. My name is Chris Bartz and I am the 2021 Winter Camp Chairman from the Wa-Hi-Nasa Lodge in the Middle Tennessee Council. I have been in Scouting since 2007 and have learned from my experience in the program the importance of personal growth, learning and adventure.

My goal for Winter Camp is to incorporate a fun, energetic and engaging environment for your scouts, while giving them ample opportunity for growth and development that will help them advance not only in their scouting career but also as an individual.

How? We will be offering merit badges that will help them become more knowledgeable in a subject and many chances to engage in friendly competition to foster a sense of teamwork, unity and camaraderie.

Where? At Boxwell Scout Reservation of course! For over a century Scouts have called Boxwell their “home away from home” and whether your scouts are first time campers or if they’ve been with us for years we would love to either introduce them to Boxwell or welcome them back!

Why? I want each Scout to leave with a smile on their face and memories to fondly look back on. Isn't that what Scouts is about? Giving youth the freedom to better themselves, and have fun while doing so? Winter Camp is the best opportunity to do just that! Winter Camp is ENTIRELY youth lead and is a fantastic way for new scouts and older scouts to experience a truly youth lead program. There are limitless possibilities in the Scouting program, and we in the OA would be honored to give scouts a helping hand in exploring them.

I hope that this sparks an interest in joining me at Winter Camp 2021! The entire camp will be a fun experience for all involved. I know I, along with my wonderful staff, are looking forward to getting “Back to Adventure” and we hope you are too!

Thank you so much for your devotion to scouting, I know I would not be the man I am or be where I am today without the impact of the scouts and leaders in my life.

Have an amazing year, and I hope to see you at Winter Camp this December!

Chris Bartz
2021 Winter Camp Chairman

Boxwell Reservation

Boxwell Reservation is located on Old Hickory Lake in Wilson County on State Highway 109, five miles south of Gallatin near LaGuardo, Tennessee. Its beautiful location features rolling hills with lots of good campsites and hiking trails. The surrounding waters are excellent for swimming, canoeing, fishing, and other aquatic activities. For these reasons, and because of its central location, it was chosen to meet the needs of Scout units in the Middle Tennessee Council. In 1952, the original site was located and, in 1957, the Middle Tennessee Council acquired, by Special Act of Congress, fee simple (\$1.00) title to 528 acres of land from the U.S. Army Corps of Engineers. Subsequent purchases brought its size up to 1,300 acres.

There have been four "Boxwells": Linton, Tennessee (1921-29), Narrows of the Harpeth (1930-48), Rock Island (Charles E. Parish Wilderness Reservation near McMinnville) (1949-59), and the present one. In 1938, the Order of the Arrow's Wa-Hi-Nasa Lodge #111 was founded at the Narrows of the Harpeth. In 1951, the South's first Wood Badge course was offered at the Rock Island camp. Each "Boxwell" provided great outdoor experiences for boys and their adult leaders and made its own contribution to the camping traditions of the Middle Tennessee Council. Today's Boxwell Reservation on Old Hickory Lake reflects and accelerates the rapid growth of Scouting in Middle Tennessee. Many people worked hard to raise the funds and make the arrangements necessary to acquire and develop these camps. Boxwell Reservation is named for the late Mr. Leslie G. Boxwell, a distinguished Tennessean and Scouter.

In 1960, the first camp season at the present camp was held for hundreds of eagerly waiting Scouts. Since 1960 over 100,000 Scouts and Leaders have experienced camping at Boxwell. Nearly every kind of tree native to Tennessee can be found somewhere on the reservation, and animal life is plentiful. Some evidence exists to suggest that the ground beneath is honeycombed with caves, and it is believed that Indian and pioneer trails crossed it.

The camps within the reservation are named for other outstanding citizens and Scouters. The developed camps include Camp Stahlman, Camp Parnell, Camp Craig, Gaylord Cub World, and the Percy Dempsey Camporee Site. Camp Light, Explorer Island and Camp Beany Elam have been kept as wilderness sites. Boxwell Reservation is rich in tradition and widely considered one of the very best winter camp facilities in the United States.

Winter Camp at Boxwell continues to be hosted by The Order of the Arrow WA-Hi-NASA Lodge 111. Troops from all across Middle Tennessee Council and from other Councils in Tennessee, Kentucky, Missouri, and Illinois, have attended Winter Camp at Boxwell. Some Troops boast that they have been there each and every year and do not want to break their string. Our Winter Camp Staff is made up of OA Volunteers that are very knowledgeable in Winter Camping. Being only one of a handful of councils across the country that offer a Winter Camp, Middle Tennessee is very proud to provide a Winter Camp experience to our Scouts.

Order of the Arrow

The Order of the Arrow is an honor camping group of Scouts elected by the members of their troops. A Brotherhood ceremony will be conducted on, members eligible from within Wa-Hi-Nasa Lodge. There is a \$20 fee for the conversion. There is also a Cracker Barrel and patch trading session conducted on the same night. If you would like the OA to visit your Troop to promote Boxwell, or conduct a unit election, contact your OA Chapter Chief or Adviser. You may also contact our Lodge Chief.

Description	Discount Fee* by November 19, 2021	Regular Fee after November 19, 2021

A Deposit of **\$75.00 per Scout must be received by November 19, 2021 in order to qualify for the Discounted Fee. The balance of the camp fee(s) must be received by December 9, 2021 to receive the Discount Fee. Regular fee schedule applies if a Scout did not register and/or pay by the Early Bird deadline.*

Refund Policy

Individuals that cancel a reservation 10 days prior to attending Winter Camp will receive a refund of fees paid, less a \$75 cancellation charge. No refunds will be made after the 10-day cancellation deadline. No refunds will be considered unless the refund form provided in the forms section of this guide is completed and received at the Jet Potter Scout Service Center 10 days prior to the unit's first day in camp. Refunds of 100% of fees paid will only be given for medical related cancellations where a doctor's note is provided.

Winter Camp Camperships

Middle Tennessee Council offers Camperships for Scouts who would not be able attend camp due to financial difficulties. Campership amounts will be granted based on the financial need of each applicant. Camperships are not transferable if the Scout cannot attend camp. Applications for these Camperships are available at www.mtcbsa.org. These forms are due no later than November 12, 2021.

***Note: While a Scout may apply for a Campership, the Scout's name must be submitted as part of the Troop's registration.**

All Scouts who submit a Campership Application should pay a portion of their fee. Scouting teaches a Scout to be thrifty. Partial scholarships enable more youth to attend Winter Camp. All partial payments for Camperships must be paid in full by December 9, 2021, to the Middle Tennessee Council Scout Service Center or the regular fee described under Winter Camp Fee Schedule will be assessed.

REGISTRATION PROCESS

This year Middle Tennessee Council will once again be using the *Doubleknot* online system for registration and Merit Badge classes. The online registration is “real-time” and will allow you to register your Scouts quickly. Remember that space is limited in all programs. Because the Council does not require a deposit prior to registration for Winter Camp, the link will be added to the Council website in September for open enrollment.

Fees are transferable to other Scouts, but it is up to the canceling individual to arrange for payment reimbursement from the replacement scout. The Middle Tennessee Council Service Center must be informed of any fees that are transferred at the Pre-Camp Leaders' Meeting. Refund checks will be mailed after the troop attends camp.

Pre-Camp Meeting

This meeting is very important in making your camp experience a Great Experience! At this meeting, here's what the Scoutmaster will do:

- * Pay final Winter Camp fees (if any), submit Medical Forms on Scouts/Adults attending camp. Review CLASS SCHEDULES for the Scouts in your troop.
- * Receive check-in time for Winter Camp.
- * Review dining hall procedures.
- * Find out about any Winter Camp program changes.
- * Ask questions about camp; get all the answers you need.

The date for the meeting is Thursday, December 9, 2021. The meeting will begin at 6:30 p.m. and will conclude before 8:00 p.m. This meeting will be held at the Jet Potter Scout Service Center (Beaman/Curb Conference Center, 3414 Hillsboro Pike, Nashville, TN 37215).

IMPORTANT: Troops that do not send a representative to the Pre-Camp Meeting, or those who do not make prior arrangements with the Camp Director, lose priority for check-in arrangements.

Provisional vs. Adopted Scout

We recognize that not all troops will be able to attend Winter Camp. We have made arrangements for those boys who would like to attend without their troop. Boys attending camp in a provisional status will be placed together and leadership will be provided.

Have a Scout who cannot attend with his home Troop but he already knows which other Troop he would like to camp with? Then please register him as an “Adopted Scout” through the Troop that will be “adopting” him during Winter Camp.

Visitors

All visitors must check in and out at the Admin Building. Visitors will be given a visitor identification badge. Meal tickets should be paid for at the Admin Building upon arrival. Any visitor wishing to stay overnight must have a medical form with parts A, B and C completed.

Early Scout Release from Camp

Boxwell Reservation is required to check Scouts out of camp with adults that are approved by the camp unit leader or the parent's name that appears on the Scout's medical form. Any adult not approved by the camp unit leader, and not named on the Scout's medical form must have a completed “Release Authorization Form” to check the Scout out of camp. This release form is available from the Council Service Center upon request.

CAMP POLICIES AND PROCEDURES

Leaders Meetings

There will be an adult leader meeting in the afternoon of your arrival day at camp. We will also hold a Scoutmaster meeting each afternoon during camp. Please be sure to confirm the time/place at breakfast each morning for these important meetings.

Adult Leadership

Each unit must have responsible adult leadership. Each unit in camp is required to have at least two adult leaders present at all times. Units that are unable to secure two-deep leadership should contact their District Committee to make arrangements to combine with another unit or make other arrangements for their Scouts at Winter Camp. Leaders must be present day and night. Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader over 21 in every unit serving females. A registered female adult leader over 21 must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

Trading Post

Each trading post will be well stocked with handicraft items, Winter Camp tee shirts, Merit Badge pamphlets, hand warmers, and other Scouting equipment. At the Boxwell Trading Post candy, cold drinks and other snack items are also available. The grill will operate daily and a “meal deal” will make 100% beef quarter pound hamburgers and beef hot dogs available, hot off the grill. Daily operating hours are 8:30 am – 9:00 pm.

Most Scouts spend \$20-\$40 during Winter Camp for supplies, souvenirs, snacks, and grilled sandwiches. We recommend that troop leaders establish a unit banking system to help safeguard money that boys bring to camp. We cannot be responsible for lost or stolen personal items. In addition to cash, Visa, American Express, MasterCard, and Discover are accepted at the Trading Post

General Cleanliness

Let's be clean in everything we are doing. Shower houses will be available for Scouts and leaders. Help us keep camp clean. Trash barrels are in each campsite and throughout camp. Please remember the Outdoor Code. Leave camp cleaner than you found it.

Health and Safety

A safe and enjoyable experience has been the focus of the Boy Scouts for decades. The camping experience at Boxwell Reservation is no exception. In the event of an emergency, Boxwell has immediate response capability with a Wilson County Emergency Management team located only three (3) miles away. We also have Emergency Medical Staff onsite at all times working out of the Health Lodge. They can be contacted by radio 24 hours a day. If needed, a medical doctor is on call 24 hours a day. The support is provided by the Sumner Regional Medical Center located only five (5) miles from Boxwell. This facility offers a full array of state of the art medical services. Emergency transportation by ambulance is only a radio call away and we have established a Predestinated Emergency Landing Area (PELA) with Vanderbilt Life Flight. The Wilson County Sheriff's Department makes random checks of our facility and is ready to assist in the event of an emergency.

Boxwell Reservation takes the safety of each camper very seriously and pledges to do the utmost to see that they have a safe and enjoyable environment to pursue the great ideals of Scouting.

CAMP POLICIES AND PROCEDURES

Winter Weather Preparedness

As you know, the weather in Middle Tennessee in December is very unpredictable. It could be 70 degrees or it could be 20 degrees. Most likely it will be in the 30's or 40's and possibly wet. The best thing to do is to "Be Prepared." When camping in the winter it is important for the boys to be dressed for the weather and to stay dry. They should have layers of insulation under their sleeping bag. Help the boys by ensuring that they have what they need, they can use the equipment checklist at the end of the leaders guide to help them pack.

Health Forms for All Participants

Every youth member and adult leader attending camp must present a complete Annual Health and Medical Record form (The form requires a health examination within the past 12 months by a licensed physician or licensed medical practitioner). This is BSA National Policy. During the check-in process, the camp health officer will give each Scout and adult participant a medical screening. In accordance with BSA requirements, any participant not having a fully completed health form will not be allowed to remain at camp or participate in any events until the health form is completed. Additionally, during the screening, should any participant exhibit signs of sickness or illness that may be contagious, he will be required to return home until he is able to return to camp without any ongoing sickness or illness. A copy of the Health Form is available online at www.mtcbsa.org.

Alcoholic Beverages, Drugs

Alcoholic beverages and illegal drugs are not allowed on Council properties. Violators will be asked to leave. Prescription drugs must be placed in the care of the health office at the Health Lodge.

Smoking/Tobacco Usage

Scouts are not allowed to smoke or use tobacco at camp. Adults are asked to exercise discretion among Scouts and use the designated smoking area in camp; this policy extends to e-cigarettes. **Absolutely, no smoking of any kind is allowed in buildings or in tents.**

Fires, Firefighting, and Fuel Policy

The danger of fire exists everywhere in camp. The camp staff is prepared to handle firefighting in camp, but you should be prepared to stop or slow the fire until help arrives. Fireguard charts are furnished and must be posted in camp and should be inspected daily by the unit leader to see that responsibilities are assigned and carried out. Failure to sign the Fireguard Chart will result in an unsatisfactory mark for that day's campsite inspection.

Each Troop will need to provide a fire extinguisher. National BSA policy permits the use of liquid fuel only under the direct supervision of a knowledgeable adult leader. Gasoline and other flammable substances are to be stored in the approved fuel storage area in camp (Contact the Service Corp Director). Open flames (i.e. candles, Sterno, kerosene lanterns, cigarettes, etc.) are also strictly prohibited in tents.

No fire is to be unattended at any time in a campsite. Therefore, a fire is to be completely out when no one is in the site.

CAMP POLICIES AND PROCEDURES

Emergency Action Plan

In the event of a camp emergency, notify the Camp Director, Program Director, Camp Ranger, and/or the Camp Medical Office immediately. Where an emergency involving a camper is concerned, the appropriate Scoutmaster should be contacted. Emergency phone numbers are posted at each phone location.

Camp Emergencies:

With the exception of a Weather Emergency, all campers are to report immediately to their campsite upon hearing an emergency signal. In the case of a Weather Emergency, campers should seek protective shelter. Once the Weather Emergency has passed, campers should report to their campsites. Campers should remain in the campsites until the "All Clear" signal has been given. Leaders should review these procedures with their campers.

The following emergency signals will be used:

- Fire Alarm:** Three (3) blasts of a car or air horn throughout camp.
- Weather Emergency:** Continuous blast of a car or air horn throughout camp
- All Clear:** Two (2) blasts of a car or air horn blast throughout camp
- Health Emergencies:** The Camp Health Officer will respond to all health emergency situations.

Sheath Knives / Fixed Blade Knives

The official BSA regulation on carrying sheath knives...

Sheath knives are not prohibited by the BSA, but they may be regulated by state or local ordinances and/or by camp rules. We recommend that the right tool for the job be used (cutting branches or ropes). We do not encourage wearing them at the waist as injury could occur during falls.

Camp Security

An important aspect of youth protection at camp is having some control of visitors in the camp. The Scout uniform, a powerful validation symbol makes anyone wearing one seem to be in the right place at a Scout camp. Unfortunately, almost anyone can obtain a uniform, whether or not they are registered in the program.

Everyone in attendance at the camp must wear identification that signifies legitimate participation in the camping program. Wristbands, such as those used in hospitals, will be Boxwell's method. The importance of wearing this identification will be stressed when the units check in. It is not necessary to explain the youth protection aspect of this identification beyond its signifying a properly registered participant in the camp program.

All visitors to the camp must stop at the camp office and sign in. A guest book for this purpose will be maintained and positive identification required. A special visitor nametag will be given that will easily identify the person as a legitimate visitor. Upon conclusion of their visit, guests will sign out so that camp administrators will know who is on camp property at all times.

Vehicles in Camp

The Health & Safety Committee along with the Camping Committee has established a written Policy and Procedures of Vehicles in Camp. The policy follows the guidelines established in the Guide to Safe Scouting as they relate to Boxwell Reservation.

- ◆ **Violations of this policy will result in loss of driving privileges at Boxwell Reservation. Determination of whether an individual is in violation will be left to the discretion of the Reservation Manager and/or Reservation Director.**

Meals and Dining Hall

Meals

Meals are served in our indoor, heated facilities. The dining hall will be set up to serve only the number needed for each serving period. The maximum number allowed by the Fire Code would determine the number of tables and chairs allowed for each serving period. Scouts will be allowed to refuse items and request additional portions as they walk through the line. Winter Camp Staff will be monitoring the serving line during each meal. Cleanup responsibility will fall on each Troop Table Cleanup Monitor. Meal cost are \$6 Breakfast, \$7 Lunch, \$8 Dinner. Scoutmaster Lunch is \$8.

Dining Hall Procedures:

Troops will be assigned tables based on 1 table per 8 people in camp.

- Each troop will appoint one (1) cleanup monitor per table assigned.
- At assigned meal time, troops will enter the Dining Hall and take a seat at their assigned tables.
- After everyone has been seated, announcements will be made and grace for meal will be said.
- After grace, each side of Dining Hall will be dismissed to line up for serving.
- Approximately 15 minutes prior to the end of the meal period, everyone will be encouraged to participate in a program.
- Following the program, everyone will be dismissed except the Table Monitor. At this time, the clean-up window will open, and monitors may return trays and clean tables.

Based on comments received from Scouts and Leaders, our food service continues to improve each year. We continue to listen to your suggestions regarding the menu and food quality. Our pledge to you is for continuous improvement; therefore, your suggestions are appreciated.

Scoutmasters Luncheon – Steak and Baked Potato

This Winter Camp would not exist without the many scoutmasters and other leaders who bring the boys and give their time. As a token of our appreciation for your leadership in bringing Scouts to Winter Camp; the Council Camping Committee and staff hosts a Scoutmasters' Luncheon on December 29, 2021.
